

**FROM THE PRINCIPAL, KATHY LLOYD-PARKER**

Even though I am a long way away in China, I am thinking about Chilton. This week I have had the pleasure of meeting up with the parents of some of our special international students. It has been a very busy and happy time.

I want students to know I am proud of the work they have all done this term. Many of them already have great results and will be ready for examinations. So many have worked hard and deserve a good break. The Middle School Little Mermaid Jnr production was amazing and I know Spelling Bee is well underway.

I thank everyone who has played sport so willingly and skilfully this term. Now students are ready for a real rest. Have a great holiday!

**Timetable Changes:** With changes of staff next Term, we will have some small changes for students. Students will be made aware of these changes and in the main, it should be a seamless transition. I apologise for the inconvenience.

**Change in Form Teacher:** Hansell 2 Form class will have a change in Form teacher effective from Term Two. Dr Marianne will replace Mr Nick Clark in this role.

**Save this Date – Tuesday 29 May, 5.30pm**

Chilton Theatre

An open forum on teenage mood disorders (for Years 7 – 13 parents only) with Dr Ken Weinstock, Child and Adolescent Psychiatrist.

**Thursday 17 May, from 12.45pm to 1.30pm**

We have received a number of requests from students and parents who wish to fundraise for upcoming trips. We would like to support this enterprise and rather than have fundraising events in isolation, there will be a MARKET DAY for any students who wish to sell their wares and raise funds. Students wanting to participate in this venture, must complete a Market Day Registration form, available from Reception, to indicate their interest and advise details of what they are selling and for what cause. Please return this form to Reception by Friday 11 May.

We hope parents will support this initiative and make this a fun lunchtime activity from **12.45pm to 1.30pm on Thursday 17 May**. Students will be encouraged to be independent in their organisation and setup. The school will provide trestles for goods to be displayed.

**A \$5 registration fee will be charged to support the Year 13 Council Project. This fee can be paid at Reception when students return their Registration Form.**

**FORTHCOMING EVENTS****Friday 13 April**

End of Term One for Years 1 – 13

**Monday 30 April**

Reception will be open from 9.00am to 3.00pm from Monday 16 to Friday 27 April.

**The School will not open on ANZAC DAY (Wednesday 25 April).****Uniform Shop Opening Hours during Holiday Break**

The Uniform Shop will be open during the holiday break from 2.00pm to 5.00pm on both Tuesday 24 and Thursday 26 April.

**CSJ Drama Presents...****The Integrated Performer Workshop Monday 16 – Saturday 21 April 2018**

A six-day, skills based workshop for the aspiring musical theatre performer. By focusing on integrating the disciplines of singing, acting and dancing we aim to create a versatile and well-rounded performer.

Students will be challenged in a way they cannot be when focusing on these disciplines in isolation.

Students will grow where they are underdeveloped and will be challenged where they are practiced.

## PRESCHOOL

### Preschool Physical Education – What is it all about?

Being active and having fun but don't forget the learning! Children learn about themselves and the world around them through movement. Having the opportunity to teach children 'in, through and about' movement from such an early age is a delight!

The programme we teach at Chilton aims to provide Preschoolers with movement experiences that give them the confidence to enjoy physical activity, while at the same time introducing them to a wide range of fundamental skills that are the cornerstone of all sports.

This Term, using a games sense approach, the Maui Group has been learning about the ways in which their bodies move, how to control that movement and how to keep themselves and others safe when playing running and dodging games.

The words learnt through movement include, slither, slide, run, jump and leap, fast, slow, over, under, round and through. This Group have also started to use their hands and eyes to track objects, catch them and project them into space, whilst at the same time having a lot of fun!

**What can parents do to encourage this love of movement and help carry on the learning?** Provide your child with opportunities to move their bodies, encourage them to play and play with them. 'Play' as Piaget put it, is the work of childhood. The Sport New Zealand website has a range of brochures providing a variety of fun activities to get little children moving [CLICK HERE](#)

## PRIMARY SCHOOL

### Year 3

For the Year 3 and 4 Inquiry under the theme of Sharing the Planet, the girls are using the concepts of Function, Change and Connection to inquire into how plastic and plastic waste is affecting our seas and sea creatures. We were incredibly lucky to have a tour of Flight Plastics, a local factory who recycle used plastic bottles by making them into recyclable plastic containers used for produce and biscuits by supermarkets. They are the only factory recycling New Zealand plastic into reusable, recyclable plastic.

It was interesting to see the old squashed plastic bottles in the bales. (Isabella Todd)

I really like seeing the old plastic on the conveyor belt going to be cleaned. (Dhani Patel)

We had to wear white coats and hair nets and wash our hands because the containers are going to have food inside them. (Jasmine Sunkel-Morta)

There was a final machine that took the recycled plastic sheet and moulded it into the shape required for the container. (Caitlin Lorimer).

### Years 10 and Year 11 Parent Teacher Interviews

Wednesday 9 May, from 4.00pm – 6.30pm

Venue to be confirmed.

Parent Portal interview bookings open on Friday 26 April.

### Middle School Gardeners

The Middle School Council project was to construct a small garden to provide fresh produce for our Foods Department. The Parents' Association generously provided the materials and manpower to make this plan a reality. This year we have a small group of dedicated gardeners who plant and maintain the planter boxes. They have recently planted a range of winter vegetables and herbs. Thanks to our gardeners for their great work, Zoe Maddigan, Shri Vijay, Rachel Chiu, Daisy Waters and Danielle Boswell (absent).

### MUSIC AND PERFORMING ARTS

#### House Music (for Years 1 – 13)

Thursday 10 May from 5.30pm to 7.30pm.

Jubilee Centre

One of the highlights of our year is the hotly contested House Music competition. We warmly invite all parents and caregivers to this event. Students will be practicing for this event during the weeks leading up to the competition starting with the first practice next Monday 9 April during Spell 4.

Important points for parents to note:

- Years 1 – 13 students wear mufti to school on this day.
- All students need to bring all their House Music costume items to school.
- Years 1 – 12 will have a normal school day for Spell 1,2,3,4.
- Year 13 students are out of class all day at school getting organised for House Music.
- Years 1 – 13 students to meet in their designated areas at 1.30pm.
- Students practice in the Jubilee Centre rotating through from 1.30pm – 3.30pm.
- Years 7 – 13 students will be provided with a free sausage sizzle, fruit and water from 3.30pm – 4.15pm.
- Years 7 – 13 students remaining at school at the end of the school day will be actively supervised. We suggest that all students stay at school.
- Primary students will remain at school after the School day has finished at 3.20pm where they will be supervised by their class teachers. Dinner will be organised between 3.30pm and 4.30pm.
- Parents are welcome to be seated in the Jubilee Centre from 5.15pm. As this is a whole School event, there will be limited seating available at the back of the Jubilee Centre and seating upstairs in the Mezzanine level. The downstairs seating will be clearly labelled.
