

FROM THE PRINCIPAL, KATHY LLOYD-PARKER**Year 12 OPC Trip**

As our Year 12 students head away to the Sir Edmund Hillary Outdoor Pursuits Centre at the weekend, we wish them well for good weather, a safe journey and a wonderful experience. Thanks to staff who will accompany these girls on the trip, Mrs Jude Tungatt, Mrs Bev Newton, Mrs Sarah Harvey and Ms Lynne Keelty.

Can Drive Week**Monday 2 July to Friday 6 July**

Students will be supporting the Lower Hutt Community Foodbank by bringing in cans of food to their Preschool / Primary classrooms, Years 7 – 12 Form classes and Year 13 Common Room during our Can Drive Week.

On the last week of the Term, students will construct a tower, or other structure, with their class or Form class which will then be photographed and judged by Year 13 students. Thank you for your support for this local community organisation.

(Thanks to Talyjah Wharepapa (Year 12) for designing the above poster)

FORTHCOMING EVENTS**Friday 6 July**

End of Term Two for Years 1 – 13

Monday 30 July

Start of Term Three for Years 1 – 13

[CLICK HERE for 2019 Term Dates](#)

Uniform Shop Holiday Hours

Please note the Uniform Shop will be open on Tuesday 24 and Thursday 26 July from 2.00pm to 4.30pm.

CHILTON HOLIDAY PROGRAMME

We will be running a holiday programme during our three-week holiday break from Monday 9 July to Friday 27 July inclusive.

[CLICK HERE](#) for more information and to access the online registration form.

As we expect the programme to be popular, bookings will be essential.

CHILTON SCHOLARSHIPS FOR 2019 are now open!

SCHOOL NEWS

School Sport

As we are part way through our sports year, it is a timely reminder to highlight the importance of a student's role and commitment to sport at Chilton and how and what this looks like.

As a school, our role is to ensure our students have a variety of sporting opportunities to participate in both competitive and non-competitive sports in a safe and non-threatening environment.

To accommodate the sporting aspirations and needs of all girls, we aim to teach our students to have confidence and to manage themselves respectfully, to be resilient and to work co-operatively as part of a team. We want our senior students to develop leadership skills and act as strong role models for younger girls in sport.

What are our expectations?

Parents – Your role is to be positive role models.

To foster a love of sport in your daughter.

To encourage and support from the sideline and to congratulate your daughter at the end of the game.

Girls – Your role is to make sensible choices in sport, after all your choices affect your team.

To work hard as a team on and off the field or court.

To have a sense of ownership in what you are doing.

To challenge yourself in competitive and non-competitive situations.

To show initiative, resilience and to manage yourself.

To have fun and enjoy what being in a team means.

Your number one priority is to attend trainings and games. If you are unable to attend either of these, it is your responsibility to let your manager know well in advance. It has come to our attention that a few senior girls are failing to meet the above requirements. Please ensure this is not you.

Fundraising

We now have a school sweatshirt which identifies everyone as Chilton students. This school sweatshirt is for all students and is the only approved sweatshirt for sport, PE, sports practices and going to and from sport games. Individual sport team sweatshirts are not acceptable.

We do not want any additional screenprinting added to our school sweatshirts ie no names or names of teams. The only exception is the personalised Year 13s Leavers Jersey which is a special item and a tradition we wish to retain.

[CLICK HERE](#) to read the school's Fundraising for School Trips Policy and our Fundraising Participation Agreement. Any fundraising for school trips must be brought to the attention of the Principal and not undertaken by individuals or sports teams.

CHILTON OLD GIRLS' ASSOCIATION

Our final lot of Centenary Roses will be ready to ship soon! The exclusive Limited Edition Floribunda Rose 'Possumus' has been created to celebrate Chilton Saint James' Centenary. Reflecting our School colours, the bright red hybrid tea buds transform into dazzling blazer red flowers, which repeat well on a bushy plant with mid green foliage. Height approx 1m. The roses will be ready for delivery in late June 2018 (while stocks last). Rosa 'Possumus' costs \$35 per potted plant, plus freight via Fastway Couriers. [CLICK HERE](#) to order.

PRESCHOOL

Maui Group

Our preschoolers learn while having fun. As children develop holistically, our curriculum focuses on offering learning experiences that connect and relate to the child's overall well-being. This week, the Maui Group have been learning the letter J. In order to reinforce letter knowledge as well as health and well-being, we made our very own fruit and vegetable juice.

First we washed our hands before we washed the vegetables and fruits (carrots, apples, oranges and pears). We then peeled and chopped them into pieces. We put the solid pieces of fruit into the juicing machine. The machine made a loud noise and squeezed the juice from the fruits and vegetables, turning the solids to liquid juice. The best part was drinking the juice, it was delicious! Lastly, we collected all the cups for washing and put the pulp into the compost bin. We also learnt that when the compost is ready we can use it to grow more vegetables and fruits. Below are some of the comments children made:

The orange peel smells like flowers. (Joy)

I tasted a piece of orange peel, it was yucky (Jayne)

The machine made a 'darrh' noise and out came the juice, it was yum. (Roger)

The juice tastes like pineapple, but we didn't put in any pineapple. (Sam).

PRIMARY SCHOOL

Year 6

Year 6 have finished their Inquiry into How the World Works and enjoyed the Science element of the Unit exploring how sound and light functions. They researched 'what is light and sound?' and 'How can light and sound change?' Questions students posed at the beginning of the Unit follow:

What does a sound wave look like? Why are sound waves invisible?	Romy Olsen
Are there different types of vibrations?	Eva-Marie Muller
How can sound push air?	Nancy Li

Some speech comments from students follow:

Light pollution is a problem for the environment. How can we solve the problem?	Eva-Marie Muller
Now...let's see. How does sound travel? What does sound look like? Firstly, amplitude...	Kyra Sanderson
Can light change? Moreover, can something change into light?	Meera Vijay
Can fuel be powered by light?	Hannah Neilson

Claxton states that learning is a journey that invites excitement and drives learning for life. The girls certainly presented their best, focused and enjoyed a scientific approach to speeches. I facilitated and observed an excellent speech journey by the Year 6 girls.

The girls experimenting with sound waves...

Eva-Marie Muller and Alyssa Patel

Lucy Price, Emily Yang and Nancy Li

Uniform Reminder

Please note if students are wearing thermals under their uniform, they must be white and have short sleeves.

Weekly Certificates

Congratulations to the following girls who achieved certificates this week. These certificates will be awarded at our Assembly on Monday. Keep up the amazing work girls!

Year 1	Keemaya Kumar, Olivia Zhou
Year 2	Eden Quinn, Bella Whitehead
Year 3	Ella Brader, Madeline Reid
Year 4	Lauren Muller, Laura Pemberton
Year 5	Phoebe Lowe, Maddi Shaw
Year 6	Phoebe Hayward, Romy Olsen.

Form Captains

Congratulations to the following girls who have been named as the next Form Captains for their class.

Year 1	Amy Yu
Year 2	Isobel Alberino
Year 3	Kate Shan
Year 4	Hebe Lin
Year 5	Claire Thompson
Year 6	Hannah Neilson.

Chilton girls make great choices...

Years 3 and 4 have been inquiring into ocean pollution and have discovered that single use plastic bags are toxic, so they have created an amazing alternative – a limited edition re-usable bag. The profits from the bags will purchase jandals from Subs, who make jandals by recycling plastic waste. The jandals will then be donated to the local Women's Refuge in keeping with the School Council project, Girls for Girls. Help us to make a difference by purchasing a limited edition re-usable Chilton bag. Now available for \$10 each at Reception.

Primary Outdoor Club Report (Mrs Blush, Year 4 teacher)

Our first hike of the year was a success with blue skies, a perfect temperature with just a light breeze. The girls, along with their parents, met at the Te Kopahau car park in Owhiro Bay. The hike was approximately 8 km return, skirting the shores of the Cook Strait. Along the way, we stopped to peer into the rock pools and the girls excitedly plucked out starfish, sea slugs and anemones, before we came upon the seal colony. The lazy brown sea mammals basked in the sun, while some pups snuggled closely to their mums. It was great to watch the girls exclaim with excitement and listen to Meera Vijay say "This is the best!" Thanks to the parents and grandparents who joined us on the trip. I look forward to our next adventure: astronomy night and a hike to see the glow worms in Week 3, Term Three.

MIDDLE SCHOOL

Year 10 Food and Nutrition

The Year 10 Food and Nutrition class have recently been learning about different nutrients found in food and how each provides the body with a different function. To put knowledge into practice the students used fresh silver beet and parsley from the school garden and incorporated this with roast vegetables, sun dried tomato and feta to create a warm winter salad. The girls enjoyed harvesting the fresh produce and have experienced how easy it can be to include a wide range of vegetables in one meal.

Student Success

Keryn Parkin (Year 7) has had two sculptures (ceramic and polymer clay) accepted by the Hutt Art Society in the Muriel Hopper Hutt Art Awards. These awards are in their 5th year and are open to any artist from the Hutt Valley. Keryn is competing against adults, including her father, who has also had two pieces accepted so they will be exhibiting together. The exhibition runs from 23 June to 8 July at the Hutt Art Galleries in Huia Street.

MIDDLE SPORT

A reminder that school sport will still be played on the last weekend of this Term on Saturday 7 and Sunday 8 July.

School sport is back on the last week of the Chilton extra week break, 23 – 29 July. If you are away on these dates, please advise your coach or team manager as soon as possible.

Student Success

Golf

Fantastic success at the Wellington Collegiate Golf Championships on Tuesday!

Girl's gross winner Darae Chung (71)

Girl's runner up Erika Cui (77)

Girl's net winner Bea Pelayo

Well done to Darae Chung, Erika Cui, Bea Pelayo, Amy Li and Michelle Huang who placed 1st equal (with Paraparaumu College) to win the Wellington Collegiate Golf Championships Gross team. The team have also qualified for NZ Secondary School National Championships in September.

Cross Country

Congratulations to Katelyn Sceats who finished 1st in the Y9 girls 3000m and 5th in the U16 2000m Steeplechase at the recent NISS Cross Country championships. Awesome result Katelyn!

SENIOR SPORT

Aerobics Success

Paige Watson *right* performed superbly over the weekend at the New Zealand FISAF Aerobic Championships in Christchurch winning Silver in the Junior Individual Category. Well done Paige!

Sports Coaching and Education

NZ Institute of Sport are offering Gateway Programmes in the July holiday break:

- Sports coaching and Officiating; Level 3
- Rugby specific; Level 3
- Sport, Fitness and Recreation; Level 2

For more information, please email sport@chilton.school.nz

MUSIC AND PERFORMING ARTS

The Big Sing – Report

The Seraphim Choir, under the direction of Mrs Ella Hanify, did a great job at The Big Sing this week. The girls performed well and were awarded an adjudicator's certificate for the Category 3 Performance of 'Great Day'. A full write-up of the event will be published as school blog entry this week.

Student Success

Congratulations to Nancy Li (Year 6) who recently passed her Trinity College examination, Singing Grade 2 with Distinction.

COMMUNITY NOTICES

Student Success

Congratulations to Grace Guthrie (Year 11) who recently competed in the Latin and Ballroom competition at the Kapiti Coast Dance Festival. She achieved 1st placings in Junior Girl Standard, Junior Girl Latin, Junior Girl New Vogue and Open to All: Cha Cha Cha and Open to All: Samba and Solo U16 Latin.
