

(Thanks to Talyjah Wharepapa (Year 12) for designing the above poster)

Thank you in advance for your support of next week's Can Drive.

From Monday, students will be supporting the Lower Hutt Community Foodbank by bringing in cans of food to their Preschool / Primary classrooms, Years 7 – 12 Form classes and Year 13 Common Room. Students will construct a tower, or other structure, with their class or Form class which will then be photographed and judged by Year 13 students.

Chilton girls make great choices...

Years 3 and 4 have been inquiring into ocean pollution and have discovered that single use plastic bags are toxic, so they have created an amazing alternative – a limited edition re-usable bag. The profits from the bags will purchase jandals from Subs, who make jandals by recycling plastic waste. The jandals will then be donated to the local Women's Refuge in keeping with the School Council project, Girls for Girls. Help us to make a difference by purchasing a limited edition re-usable Chilton bag. Now available for \$10 each at Reception.

FORTHCOMING EVENTS

Friday 6 July

End of Term Two for Years 1 – 13

Monday 30 July

Start of Term Three for Years 1 – 13

[CLICK HERE for 2019 Term Dates](#)

Uniform Shop Holiday Hours

Please note the Uniform Shop will be open on Tuesday 24 and Thursday 26 July from 2.00pm to 4.30pm.

Applying for a scholarship is a simple online process and we welcome all applications. [CLICK HERE](#) for further information on the scholarships available for entry in 2019 and how to apply.

Quiz Night

Are **YOU** Smarter than a Chilton Girl?

Date: Friday 17 August

Time: Doors open at 6:30pm

Location: Chilton Saint James Jubilee Centre

Price: \$10pp or \$100 a table

Raffles, Entertainment & More!
BYO Snacks & Light Supper provided!

CHILTON HOLIDAY PROGRAMME

We will be running a holiday programme during our three-week holiday break from Monday 9 July to Friday 27 July inclusive. [CLICK HERE](#) for more information and to access the online registration form. As we expect the programme to be popular, bookings will be essential.

PRESCHOOL

Spontaneous learning is the best when it captures and holds the attention, making it an essential part of being a lifelong learner. Here at Preschool, it comes to us naturally and without any effort. We are curious, exploratory and adventurous. We question and wonder and by doing so, we learn and discover.

Last Thursday provided our Preschoolers with a wonderful opportunity to do what comes naturally. It was freezing and the little bit of rain in our water trough had frozen to a thin sheet of ice. The older children brought the large pieces over to where the sun was shining on the deck and carefully placed them on the ground to see 'what would happen'. Both younger and older children took turns crowding around to see and experience the ice, breaking it up into smaller pieces and estimating how long it would take to melt, remarking about the coldness of the ice and how it made their hands feel. We marvelled at the 'bumps' in the ice where air bubbles had been trapped in the surface. Some of the children's remarks were:

"It is soooooo cold"

"It made my hands red and it felt bubbly"

Nature is a wonderful resource. We hope our children stay curious and continue to explore, discover and be lifelong learners at every opportunity that comes their way.

ALL SCHOOL SPORT

Netball Warm-up Workshop

Monday 6 August, 5.00pm – 6.00pm

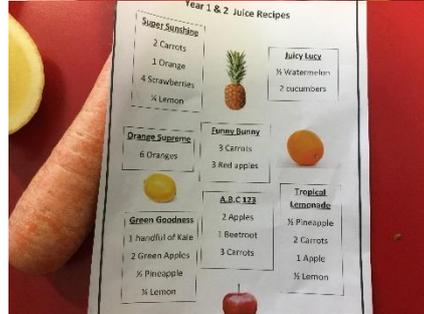

Jubilee Centre

We are pleased to announce a warm-up workshop with Lee Spence, NetballSmart Development Officer at Netball Central. A correct warm-up technique, started early, has shown to have a marked effect on reducing injuries in sports players. This workshop will deliver material that is not specific to netball but rather, will give you up-to-date information on a warm-up that has been researched and tested and is being used world-wide by a wide range of codes and sports players. This workshop is a must for any students who play sport at Chilton. Managers and Coaches can email the Sport Office to register sport@chilton.school.nz

PRIMARY SCHOOL

Year 2

To conclude our Unit of Inquiry, 'Sharing the Planet', the Years 1 and 2 girls made a range of juices using fruits and vegetables that can be grown in New Zealand. Each girl washed, peeled and chopped the selection of fruits and vegetables on their recipe card, then took turns using the juicing machine. These fresh, healthy juices were described by the girls as delicious, tasty, marvellous, sweet, super, fantastic, fabulous, yummy, amazing and exquisite! The girls wrote reviews of the seven different flavoured juices using their 'taste test' adjectives.

Possumus We are able

On the same day, the girls made vegetable soup. Each student brought a vegetable to contribute to our 'potluck' flavoured soup. The Year 2 soup consisted of carrot, potato, kumara, celery, lentils, garlic, onions and vegetable stock. The girls eagerly washed, peeled and chopped the vegetables, discovering that onions really can make you cry! They used the kitchen equipment carefully and responsibly, showing excellent collaboration and respect. They ensured that everyone had the opportunity to peel and chop the vegetables and put them in the slow cooker.

We calculated how long to set the timer for so that the soup would cook overnight be ready by the next morning. The girls tasted their soups, describing the flavour, texture, consistency and smell. They compared and contrasted the flavours of the cooked carrots in the soup with the raw carrots in the juice then wrote a step-by-step recipe using time connectives and adverbs.

The girls inquired, by doing research on the iPads and discussed that these hearty wholesome soups and healthy juices were made entirely with vegetables that can grow in New Zealand. They also discovered that at some points of the year it is more cost effective to import some of these ingredients from overseas.

Weekly Certificates

Congratulations to the following girls who achieved certificates this week. These certificates will be awarded at our Assembly on Monday. Keep up the amazing work girls!

- Year 1 Ruby Blitz, Ivy Cam
- Year 2 Isobel Alberino, Eva MacManus
- Year 3 Caitlin Lorimer, Janice Wu
- Year 4 Carla Nguyen, Siaila Veilofia
- Year 5 Esha Chandra, Lauren Summerhill
- Year 6 Mughda Maddali, Meera Vijay

Possumus *We are able*

PRIMARY SPORT

Years 4 – 8 InterZone Cross-Country

Congratulations to our InterZone team who represented the South-East Zone at the Inter-Zone race at Trentham Memorial Park on 21 June.

- Year 4 Tilly Smith
- Year 5 Isla O'Connor-Williams
- Year 6 Lucy Price, Nancy Li, Sophie Parker, Emily Yang
- Year 7 Mia Campbell, Lola Campbell, Rosa Blair
- Year 8 Megan Richter, Madeline Armstrong, Georgina Smith.

Special congratulations to Madeleine Armstrong (5th place), Rosa Blair (runner-up), Lola Campbell (3rd place), Mia Campbell (winner), Nancy Li (3rd place), Lucy Price (6th place) and Isla O'Connor-Williams (7th place). These girls will now represent LHPSSA at the Regional Cross-Country race at Harcourt Park on Tuesday 3 July.

MIDDLE SCHOOL

Social Science

In Year 9, we have actively been learning about immigration and culture in and around New Zealand, Scotland and Ireland. We have been also learning about the potato famine. Social Science has allowed us to learn about immigration as well as presenting our information in songs, mind maps and colourful diagrams. Miss Forsyth makes learning about History very interesting and exciting. I thoroughly enjoy Social Science learning tourism and immigration as well as the differences from the 18th and 19th century to now. I am excited for what the rest of the year will bring and how much we can learn. (Jessica Deed, 9C)

In Year 9 Social Science, we have been learning about cultural identity and traditions and immigrants to New Zealand from Europe. We have enjoyed learning about the Irish potato famine. Miss Forsyth has enjoyed learning Māori names and places, just as much as we have enjoyed learning Scottish names. It is great that we are learning about two very different countries and how they are similar. (Rupal Vallabh and Evani Desai, 9C)

Social Science is one of the classes I enjoy and have fun in. The topics about Scotland have been very interesting because we usually learn about New Zealand's history. This adds in a new twist to Social Science. Miss Forsyth makes lessons fun as well as helping us to learn. This year I have achieved results that were above my expectations. I am really looking forward to the rest of Year 9 when we learn more about other countries and the consequences of major key events. (Amy Li, 9C)

In Social Science this year, we have had lots of fun. First we studied the Scottish Wars of Independence when we created books about the Battle of Bannockburn. We learnt about King Alexander III of Scotland, William Wallace and various other figures involved with the Wars. We then moved on to the topic of tradition, culture and identity. In this topic, we have made mini posters about ourselves – what made us who we are, we made presentations about immigration to New Zealand and we learnt about the Irish potato famine. Our teacher, Miss Forsyth has made the topics very enjoyable and her stories have taught us many things about life in Scotland. Her jokes are very entertaining and she is one of our favourite teachers. (Christine Andrews-Moehricke and Kelsi Stanyon, 9C)

This term in Social Science, we have been looking at 1800's immigration to New Zealand in particular why many people left Scotland and Ireland. I have really enjoyed learning all about Scotland and its interesting history from Miss Forsyth herself, and we have been teaching her some kiwi facts along the way too. The posters that we did on Scottish immigration were really enjoyable. I am really looking forward to the rest of the year and all of the new things that she is going to teach us in the new upcoming units.

(Mikayla Telfer, 9C)

MIDDLE SPORT

School Sport During the Holidays

A reminder that school sport will still be played on the last weekend of this Term on Saturday 7 and Sunday 8 July. School sport is back on the last week of the Chilton extra week break, 23 – 29 July. If you are away on these dates, please advise your coach or team manager as soon as possible.

Student Success

Golf

Congratulations to Darae Chung who was nominated for the Emerging Sportswoman Category at the recent Wellington Sport Awards. Darae was the youngest nominee for these prestigious awards.

Years 4 – 8 InterZone Cross-Country

Congratulations to our Inter Zone team who represented the South-East Zone at the Inter-Zone race at Trentham Memorial Park on 21 June.

Year 8 Megan Richter, Madeline Armstrong, Georgina Smith
 Year 7 Mia Campbell, Lola Campbell, Rosa Blair
 Year 6 Lucy Price, Nancy Li, Sophie Parker, Emily Yang
 Year 5 Isla O'Connor-Williams
 Year 4 Tilly Smith

Special congratulations to Madeleine Armstrong (5th place), Rosa Blair (runner-up), Lola Campbell (3rd place), Mia Campbell (winner), Nancy Li (3rd place), Lucy Price (6th place) and Isla O'Connor-Williams (7th place). These girls will now represent LHPSSA at the Regional Cross-Country race at Harcourt Park on Tuesday 3 July.

Underwater Hockey

Our senior Underwater Hockey team competed at the recent College Sport Wellington Central Tournament. This was challenging to say the least, with player unavailability due to some players being out for OPC trip and dance examinations.

Congratulations to Anna Wong, who received our team's MVP Award for a great tournament. Kathryn Davies was named Most Promising Referee for the region this year and Kathryn Davies, Isha Patel, Paige Kilduff, Hatamara Shaw and Julia Shan, were selected to trial for the Central Zone U18 team later in the year. Well done girls!

The team would like to thank Jemima Gillingham and Kiana McKinney who came to support us for our Sunday game. Huge thanks also to Lynda Hart and Sue Davies, for their support throughout the weekend. The Sports Office would like to thank Doug Davis for his continued support of the team and Helen Payn, the coach.

SENIOR NEWS

Year 12 OPC

Despite some challenging weather over the first two days of the OPC trip, our Year 12 students are having an amazing time at the Hillary Outdoors Pursuits Centre. All groups had a fantastic day up in the mountains on Wednesday, as per below.

MUSIC AND PERFORMING ARTS

The Big Sing

A full write-up of the Big Sing can be found [here](#)

Riverleigh Retirement Home Concert

Many thanks to the following girls for taking part in the concert at the Riverleigh Retirement Home this week. The residents were grateful for your performances and you were excellent ambassadors for Chilton. Azmarah Maniparathy, Holly Scotson, Laura Wilson, Amber Riddle, Hollie Anderson.

COMMUNITY SPORT NOTICES

FREE Basketball Coaching Courses for 5 – 13 years

Sunday 1 July, 10.00am to 12.00 noon

Rongotai College Gymnasium

Wednesday 4 July, 6.30pm – 8.30pm

Tui Glen School Hall, Stokes Valley

All coaches will receive certification for completing the course and the offer of ongoing support. For more information, please email the Sports Office at sport@chilton.school.nz
