

FROM THE PRINCIPAL, KATHY LLOYD-PARKER

Year 10 Options

I am pleased to announce that all Year 10 students received an Option booklet yesterday to select their Cambridge course for next year. Every girl and their parents are invited to meet with me to discuss options. I will be working throughout the holidays so that I am available. I look forward to this discussion and planning time. Staff will present to the students about their respective subjects in the first week of term.

Year 11 Options

It is hard to believe that in a term our Year 11 students will sit their IGCSE examinations. Today the Option booklet for Year 11 has been placed on Chilton Central under our Secondary School page. Please could all parents access this and begin the discussion. I am available all holidays to meet and discuss where to for next year. I hope you enjoy this process.

Staff Changes

At the end of this term, we farewell and thank Mr Gerald Bajema for his dedication to his students and the Science Department over the last 14 years. We wish him well in his new teaching position. Mrs Jennifer Stacey will be teaching Year 11 IGCSE Chemistry and the Levels 2 and 3 Chemistry classes for the remainder of the year. Mrs Clements will spend one spell per week with the IGCSE Chemistry class to complete revision. Mrs Stacey is a competent Chemist, has taught these levels before and has a degree in Chemistry. Mrs Sim Clements, HOD of Science, will take the Physics IGCSE, Levels 2 and 3 Physics classes. She will also take over Mr Bajema's other Science classes as she is as equally proficient in Chemistry/Physics.

Ms Vanessa Kidman leaves the Year 6 class tomorrow and we thank her for the work she has done in our Primary School. Vanessa has given of her best to Chilton and been a valued colleague. She has been loyal, supportive, hard-working and has shown real care to the girls in her class, as well as those within the wider school. We are pleased to announce that Miss Rachael Wilson will take this position as of Term Three for the remainder of the year. Rachael is an experienced independent school teacher, with recent success in Year 6 at Chilton, and will provide a smooth, seamless transition for the girls.

Thank you!

Tidy Out for Tonga

We were delighted to be advised that the shipment of donated items from our community had arrived safely in Tonga and been distributed to these happy students below. Thank you again for your kindness to others!

BOARD OF TRUSTEE NEWS

From Michelle Luping, Board Chair

We farewelled three stalwarts of the Chilton community at our recent Annual General Meeting, as their terms on our Board of Trustees came to an end.

Greg Adlam, Jennie Hoadley and Scott Thorne have given a great deal of their time and commitment to Chilton. Greg continues to be involved in special projects which is a testament to the belief that the Trustees have in the ever evolving transformation of Chilton. Greg, Jennie and Scott were thanked for, not just their passion and drive, but also their pragmatism and temerity during their time on the Board in leading Chilton through to today. The 2018 Trustees include Michelle Luping, Kaylee Butters and Fleur Revell-Devlin, all Chilton Old Girls, Richard Bourne, Chris Canton, Richard Francis, Richard MacManus and Catherine Milnes. Our role is in the governance of Chilton and in saying that, we spent time at the end of last year reviewing the strategy and the work that must be completed to meet the demands of the education environment. We will provide an update of these initiatives in due course.

We are all looking forward to celebrating with you 100 years of history at our Centenary in October and you are all very warmly welcome to join the Centenary festivities. It will definitely prove itself to be a highlight of 2018!

We wish you a restful holiday and that you get to spend some quality time together.

Chilton Holiday Programme

We have a few spaces left in the holiday programme for this term break. Please contact Amanda Baker, our Administration Manager at abaker@chilton.school.nz to register.

Whitby/Porirua Buses

New Zealand Coach Services operates the bus services from the greater Porirua area. Starting next term, students will need to purchase a term pass rather than using a Snapper card. It is advisable to check the rate being charged ie adult or child fare. This can be corrected by phoning 0800 555 345. More information is available at [this link](#).

Warm-Up Workshop for Students, Coaches and Managers

Monday 6 August, 5.00pm to 6.00pm
Jubilee Centre

We are pleased to announce a warm-up workshop with Lee Spence who is the NetballSmart development officer at Netball Central. This workshop will deliver material that is not specific to netball, but rather provide up-to-date information on a warm-up that has been researched and tested and is being used world-wide by a wide range of codes and sports players.

This workshop is open to all coaches and managers of Years 7 and 8 students and is a must of all students from Years 9 – 13. Please register your interest by emailing sport@chilton.school.nz

PRESCHOOL

Preschool Music Centre

We are delighted to be opening the Preschool Music Centre next term and have been excited to receive enrolments over the last few weeks. Please like and follow our Facebook page for regular updates [HERE](#)

If you are interested in enrolling in a Preschool Music Centre class, further details of classes and times are [HERE](#)

Request for Preschool Music Centre Items

As we anticipate the opening of our Preschool Music Centre next term, we are seeking donations of a few items to help keep younger siblings busy and entertained during lessons. We would love to acquire the following donations which can left at Reception:

- 1) A small table and chairs where younger children could do some colouring activities
- 2) A small children's rug or mat that could help us define an area for the younger children to play with toys
- 3) Picture books, board books or simple puzzles
- 4) A small bookshelf where toys and books could be stored.

Preschool Dance

We have had yet another wonderful term in Dance. Our focus for the term has been moving with props and using them as inspiration for our movement.

The children have explored dance through the use of ribbons, masks, balls, a parachute, balloons, hoola hoops, and bubbles. It has been wonderful to see them improve across a range of skills, particularly in co-ordination and balance. Dance also fosters social encounters, interaction and co-operation. This has also been a focus for the term, as the children learn to communicate ideas to others through the real and immediate mode of body movement.

Possumus *We are able*

PRIMARY SCHOOL

Year 4

For our Inquiry into How We Organise Ourselves, the girls have been investigating how we use measurement in our day-to-day lives. They are discovering that Mathematics is all around us! The girls have been given the challenge to formulate their own inquiry, a process that is usually planned by their teachers. It is fascinating to see which areas interest them: mathematics is found in fashion, architecture, the natural world and even tourism. This Unit of Inquiry will prove to be stimulating, challenging and an eye-opener!

Here are some pictures of our girls during our provocation activity for this Unit: What do we know about tools used for measuring?

Weekly Certificates

Congratulations to the following girls who achieved certificates this week. These certificates will be awarded tomorrow afternoon. Keep up the outstanding work girls!

Year 1	Chloe Cao, Chloe Lin
Year 2	Harper Gillies, Uyen Vu
Year 3	Divya Kumar, Dhani Patel
Year 4	Heben Lin, Maisy Neilson
Year 5	Anji Chu, Misia Hosie
Year 6	Summer Brockelbank, Eva-Marie Muller.

Form Captains

Congratulations to the following girls who have been named as the next Form Captains for their class.

Year 1	Ruby Blitz
Year 2	Aria Patel
Year 3	Sophie Ross
Year 4	Maisy Neilson
Year 5	Jiya Patel
Year 6	Madeleine Wilson.

MIDDLE SCHOOL

Years 7 and 8 Parent Teacher Interviews

Wednesday 1 August, 4.00pm – 7.00pm

Middle School Meeting Room, upstairs in FitzGerald

Bookings for these interviews will open on the Parent Portal by the end of the week.

Ms Rachel Daddy teaches Art to all Years 7 and 8 students. She warmly welcomes you to visit her in the Art Room, based in T6, between 4.00pm – 7.00pm for a chat and the opportunity to view your daughter's art work. She will not be available for individual bookable interviews on Wednesday.

Email jhambidge@chilton.school.nz if you have any queries.

Year 10 Physical Education

Over the last three weeks all Year 10 students have been participating in a Sports Education module where the sport undertaken has been Fast Five Netball. This is an adaptation of the more traditional seven-a-side game, but there are only five players per team on the court and the scoring of goals is slightly different.

Students have been actively involved in selected roles within their team, whether it be coach, assistant coach, warm-up leader, equipment manager or being an umpire. At the same time, they have been applying and refining both their physical netball skills and team leadership and management skills. This Thursday sees the top teams from both Year 10 classes play off for the final.

Speech from Middle School Assembly

At a recent Middle School Assembly, a heart-warming speech on social media was given by Mackenzie Tuffin. Often, pearls of wisdom come out of the mouths of our students. [CLICK HERE](#)

MIDDLE SPORT

Sport During the Holidays

A reminder that school sport will still be played on the last weekend of this term on Saturday 7 and Sunday 8 July.

Please note school sport is back on the last week of the Chilton extra week break from 23 – 29 July. If you are away on these dates, please advise your coach or team manager as soon as possible so they can make arrangements.

Basketball Request

Our Senior Basketball team are in desperate need of more players. They are a social team, with no trainings required and play their games on Friday nights. Students in Year 10 and above can register interest at the Sport Office.

sport@chilton.school.nz

Possumus *We are able*

Student Success

Congratulations to the following students on the significant achievements in their sporting codes.

Golf

Darae Chung and Erika Cui have been selected for the New Zealand National Golf Camp in Cambridge in July. Only seven girls are attending this camp from around New Zealand. Prior to this, they will play as part of a team in the National Women's Foursome Tournament in Matamata. Good luck girls!

Hockey

Frances Penney has been selected for the Wellington U13A representative Hockey team. Jayda Hudig has made the Championship Development U15 squad as a non-travelling reserve. Abby Draper has been selected for the Premier Development U15 squad. This is an amazing achievement as competition was tough with 60 girls trialling from the Wellington region.

Gymnastics

Congratulations to Rosa Blair *below* who won the Wellington Junior Championships, Step 6, on Sunday. Well done Rosa!

Sports Coaching and Education

NZ Institute of Sport are offering Gateway Programmes in the July holiday break,
Sports Coaching and Officiating: Level 3
Rugby specific: Level 3
Sport, Fitness and Recreation: Level 2.
For more information, please contact the Sport Office
sport@chilton.school.nz

SENIOR SPORT

Basketball Request

Our Senior Basketball team are in desperate need of more players. They are a social team, with no trainings required and play their games on Friday nights. Students in Year 10 and above can register interest at the Sport Office.
sport@chilton.school.nz

MUSIC AND PERFORMING ARTS

Student Success

Our congratulations to Yuwei Shen, *second on right*, and the members of her band 'Smokey Blokes' who placed 1st in the SmokefreeRockquest regional competition on 22 June. A full write up of the event has been published online [here](#). Yuwei and her band will now go forward to the national finals later in the year.

Imogen Waldron (Year 5) achieved a Merit in her Grade 3 ABRSM cello examination.

COMMUNITY NOTICES

Parenting Place Workshops

For parenting events in the Wellington region [click here](#)

Hutt Library Activities

There will be a range of Harry Potter-related activities from 10.00am – 5.00pm at War Memorial Library on Saturday 7 July, including green screen photo opportunities, a marauders map, Muggle studies and wand-making!
